

Small Group Discussion - Week of May 8th

1. Acts 2:42 Which of the things mentioned as being part of the early church in this verse do you find most natural? What do you look forward to? What is a struggle?
2. How can we help each other to be 'devoted' (v42) and experience 'awe' (v43)?
3. What are your experiences and aspirations of being part of a church that lives together as described in v44-46?
4. What will lead to people regularly being added to our number? (v47)
5. What is the significance of the miracle described in Acts 3:1-10?
6. If the big sin talked about in v11-16 is rejecting or not recognising Jesus, how are we vulnerable to that today (be as specific as you can be!)
7. Of the three blessings of belonging to Jesus in v19, what excites you the most?
8. How can we show the gospel as described in v19 to the people that we know who are not Christians?
9. Which of the 3 elements of the gospel in v19 do we need to encourage each other with? How do we do it?
